Adornment is pleased to announce its collaboration with the Nani Mocenigo Palace Hotel for the development and curatorship of Vitraria, a gallery dedicated to the promotion of contemporary jewelry and applied arts.

Newly realized in Venice, it is dedicated to designer-led artistic design that has its roots in traditional craftsmanship. The gallery, blending the excitement of history with the fascination of creation, is a space in which artists and designers present their personal research dedicated to wearable creations and much more.

Located on the evocative ground floor of the Nani Mocenigo Palace Hotel, the gallery aims to be an exhibition platform for both local and international artists, encouraging a mutual exchange around the evolution of traditions linked to glass and other artistic disciplines.

It will produce temporary group and personal exhibitions, as well as presenting an exclusive selection of one of kind pieces characterized by unprecedented technical and aesthetic research.

The first selection of designers features: Alcarol, Anne Goy, Augustina Ros, Beru Inou, Daniella Saraya, Davide Penso, Dusciana Bravura, Fabio Fornasier, Fabrizio Bonvicini, Iko Studio, Izabella Petrut, Jill Herlands, Laberintho, Laura Volpi, Letizia Maggio, Martacarmela Sotelo, Myriam Bottazzi, Nicole Schuster, Ria Lins, Romina Gonzales, Zeta Tsermou.

Art, tradition and originality are the unifying elements of all of the hotel's floors and spaces, and it is committed to stimulating and promoting passion for research, design, and the world of glass in all its forms, actively supporting craftsmanship and independent creativity.

Vitraria Gallery is curated by Adornment – Curating Contemporary Art Jewelry.

Hotel Nani Mocenigo Palace

Palazzo Nani Mocenigo, a superb example of Gothic Venetian art from the 15th Century, it is nowadays a 4 Stars Hotel located just in front of the little Canal of San Trovaso and in the middle of one of the most characteristic "Sestieri" (Districts) of Venice.

The new and restructured Palace is characterized by an important facade and frescoes from the early 1800s. In all its rooms and spaces it preserves the splendor of its noble and centenary past, where the Venetian style is exalted by its Murano Chandeliers, the original floors "Alla Veneziana" and by the precious furnishing of its "Saloni" (Salons) and Rooms.
